Legends from a Long Forgotten Land

with David Tonge, the Yarnsmith of Norwich

Come and hear ancient stories about the lost land of Doggerland which once joined Britain to Europe.

Imagine that you were there, sitting in a roundhouse of wood and earth, sharing stories about hunting vicious boar and wild wolves, of magical groves and sacred pools, and of the people's struggle as the sea flooded the land and changed their way of life for ever. 40-minute fun and inter-active storytelling sessions for children and their families.
