Sea Changes

A live play reading & Art exhibition

4 September 2021

At this time of world-wide change and the challenges it poses to individual lives, this evening event offers a creative response to loss and overcoming. VELA offers time to look, listen and respond in discussion to both local artists' work and a rehearsed reading of three women's interwoven monologues. Sea Changes by playwright Marina Jenkyns was first performed at the Camden Festival and Oxford in 2019.
